2018

Dear Festival Vendor:

My name is Fred Giovannoni, Jr. and I am the Vendor Coordinator for the St. Anthony Strawberry Festival for 2018. It will be our pleasure to serve you and help you take advantage of reserving a space for our festival.

Enclosed is an application packet for the St. Anthony Strawberry Festival venue held on Father's Day Weekend, June 15th, 16th and 17th, 2018. The Festival attracts attendees from Southeast Michigan and beyond. It is truly a city- wide event.

The packet you have received is for a space at St. Anthony Church. If your application is accepted, and your fee and pictures have been received, you will receive a confirmation letter and additional information including parking and lodging and revised application if needed. Space assignments will be given during check-in on Thursday, June 14th, 2018.

Your application and photos will be reviewed to insure proper placement as well as diversity of products offered. We highly encourage vendors to have a strawberry theme item for sale. Festival staff will accept applications based on product (with emphasis on strawberry theme), display, and history with the festival. We limit the number and type of vendors, so it's important to get your application to us as soon as possible.

Please be sure to read the Festival Regulations and let us know if you have any questions.

We look forward to working with you!

Regards,

Fred Giovannoni Jr. Vendor Coordinator
