Vendor electrical requirements will be charged according to the chart listed below. Electrical service **MUST** be ordered in advance to assure sufficient power for all vendors.

All equipment and extension cords must be grounded. Food warmers must have a 12/3 awg extension cord. There are to be no splices, duct tape, or electrical tape to cover up a repair on any of the electrical cords that you use. For 220V, a 30 amp service must be on a Nema LI4-30 Plug and 50 amp and higher must be on Series 1 5 Mini Cam, also you will need 200' of wire to be connected to the distribution panels. See Festival Regulations for City of Belleville electrical requirements.

<u>Description</u>	<u>Advance Charge</u>	<u>On-Site Charge</u>
<input type="checkbox"/> 20 amp wall outlet.....	\$100.....	\$200
<input type="checkbox"/> 30 amp 220V. Plug must be LI 4-30.....	\$200.....	\$400
<input type="checkbox"/> 50 amp 220V. Must be on Mini Cam.....	\$250.....	\$500
<input type="checkbox"/> 100 amp 220V. Must be on Mini Cam.....	\$350.....	\$700

Total for electrical charges \$ \_\_\_\_\_ Transfer amount to appropriate space on front of application.

This is an outdoor festival. Electricity will be placed behind your booth in the most convenient manner possible. Any electrical work ordered on site will be handled in the order that it was received. Any work performed on-site must be paid in cash before services are rendered. If you have any questions, please don't hesitate to contact us.
